Text A (1-3)

### Homemade Chocolate Ice Cream Recipe

*Ingredients:*

- 1 can of full-cream milk
- 2 cups of heavy cream
- 1 dark chocolate bar
- semi-sweet chocolate chips (around 10 grams)

*Directions:*

1. Break the dark chocolate bar into chunks.
2. Melt the chocolate bar in the microwave or in a double boiler.
3. As it melts, stir the chocolate.
4. Remove the chocolate from the heat.
5. Pour the can of full-cream milk into the melted chocolate slowly while stirring the mixture.
6. When the mixture mix thoroughly, set aside.
7. In a separate bowl, mix the heavy cream with manual or electric mixer until *stiff peaks* form.
8. Combine the whipped cream and chocolate mixture.
9. Sprinkle the semi-sweet chocolate chips into the mixture.
10. Fold together until all of them completely mixed.
11. Store in a dosed container and freeze for around 2-3 hours.
